Shareholders chart

After a successful funding period we are able to make a more accurate shareholders chart. This chart is calculated on daily SEED rewards which will be paid out quarterly. Please note that these numbers are estimated and variables can be different during time.

EGGURITY tokens

Shares are distributed in EGGURITY tokens, for 1 TRX you will receive 1 EGGURITY token and for 1 SEED you will receive 4 EGGURITY tokens. EGGURITY tokens will be distributed amongst investors for theirs to keep, trade or sell. Eggies.world is not responsible if a shareholder loses their address or private key.

Eggies.world maintenance

All of Eggies.world earnings will be added to the players stake pool to maintain or increase daily player rewards. Before the earnings end up in the stake pool and go to the shareholders, 20% of these earnings will be used for maintenance. Maintenance will consist: a server, MODs, promotion and development. For this, Eggies.world keeps the right to reserve a monthly average of 20% from Eggies.world earnings.

Shareholders earnings

Shareholders will receive a share of 15% of Eggies.world earnings based on their investment, which will be paid out quarterly. Their shares will be measured on the amount of EGGUITY tokens in their wallet. Eggies.world earnings include in-game: Items sold, activities, battle fees, marketplace fees, customizables and token partnerships. Eggies.world SEED rate can vary due to market fluctuations and cannot be lower than the Sesameseed pegged price.
